

CHATS WITH ANNETTE

Come have a conversation with Superintendent Annette Reichman about exciting changes and activities important to both ASDB and the Deaf community.

Arizona State Schools the Deaf and the Blind's (ASDB) first-ever Chats with Annette are an opportunity for members of the Deaf community to casually converse with the superintendent about important issues facing ASDB and the families and students that we all support. You are invited to participate in an open and meaningful dialogue with the superintendent on matters most important to you, your family and the greater community.
