

Building on A-bilities

Arizona Blind & Deaf Children's Foundation invests in the future of our state's blind and deaf children. Established in 2002, we work with a variety of schools and non-profits throughout the state to provide the kinds of meaningful enrichment activities that will result in our children becoming healthy, fulfilled, contributing members of our communities.

ASL Golf Camp

We raise funds and provide a variety of support services to programs encompassing art, fitness, literacy, and life skills—all while emphasizing what our children CAN do and building on their STRENGTHS.

As the ONLY non-profit in Arizona working to address the needs of both blind and deaf children, we depend on support from caring and committed businesses and individuals like YOU.

Today, thanks to a lot of loyal followers, Swing for Success is a perennial favorite among our friends in the trades, as well as other professionals from every corner of the country. When you join us for Swing for Success, you can count on a great time with great people...and you'll probably add to your own level of success!
