

# 15<sup>th</sup> Annual ASDB Science and Engineering Fair

## February 19<sup>th</sup> (Friday) , 2016

At Arizona State Schools for the Deaf and the Blind (Tucson campus)  
1200 W. Speedway Blvd., inside the CTE building - next to cafeteria.

**ASDB Science and Engineering Fair: For everyone**

**February 19th (Friday) : 8:00a.m-11:30a.m.**

Projects will be created by ASDB students and judged by local scientists from Raytheon, SARSEF and the greater Tucson community.

ASDB encourages children to pursue in-depth study of natural phenomena through scientific research. Inquiry learning expands our students' knowledge of the universe and prepares them for continuing education and careers in science, engineering, and technology. Winning projects will compete at the Southern Arizona Regional Science and Engineering Fair at the Tucson Convention Center March 2nd through March 5th.

**Please come help us celebrate our students'  
accomplishments!**
